# WHY SIGNAGE MATTERS IN EDUCATION SETTINGS

## FIRST IMPRESSIONS:

Our high-quality exterior and interior signage creates positive first impressions for visitors, students, staff and parents, showcasing professionalism and standards, paving the way for inspiration and support for young and eager minds.

- **Enhanced Learning Environments:**  
Our custom signage solutions contribute to well-designed workspaces, classrooms and corridors, creating interesting and educational learning environments.
- **School Pride and Morals:** Create a sense of community. Enhance your school's spirit with our large array of signage.
- **Safety, Organisation and Navigation:**  
Guide your visitors, students and staff. Clear safety signs, directional signs and emergency exit markers ensure the school is adhering to regulations, organised and safe.
- **Showcase Achievements:** Highlight school and student awards, achievements, and events with display signage motivating students to participate and succeed.
- **Positive Reinforcement & Communication:**  
Create visual reminders and positive messaging throughout your premises, contributing to a positive school culture.
- **Professionalism:** Incorporating professionally designed signage throughout the school builds confidence in the setting.
- **Engagement and Interest:** Create interactive displays to captivate students, developing a more modern environment.
- **Encourage Resourcefulness and Creativity:** Spark creativity within your students with fun informational displays.
- **Encourage Ownership:** Build an environment students and staff are proud to be a part of, developing a sense of ownership and respect.
- **Communication:** Present effective information throughout your setting to ensure that important messages reach students, staff and visitors.

**IT'S MORE THAN JUST A SIGN**

# **TYPES OF SIGNAGE WE CAN SEAMLESSLY INTEGRATE INTO YOUR SETTING**

**The world of signage solutions is limitless.** At FPL Signs we take pride in our teams 30+ years of experience. The company's knowledge and experience ensures you can stay ahead of the curve with new and innovative solutions for your education setting.

The following pages cover some of the signage solutions we offer.

## ILLUMINATED BUILT UP 3D LETTERS & LOGOS

Built-up 3D letters and logos offer a dynamic and tactile dimension to branding, creating a stand-out visual impact. Whether illuminated for added prominence on the high street or finished with precision detailing, our built-up letters and logos transform spaces into memorable statements. Generate additional attention or highlight specific details with illumination, go the extra step to transform your signage into a striking landmark.

## TRAY SIGNS

Tray signs offer a sleek and modern signage solution that is perfect for both indoor and outdoor applications. These signs are crafted from durable materials, ensuring longevity and resistance to weather conditions.

Ideal for corporate branding, directional signage, or informational displays, tray signs provide a clean, professional look that complements any setting.

## FLAT CUT LETTERS

Flat cut letters and logos offer a sleek and modern approach to branding, seamlessly fitting in while making a distinct statement.

At FPL Signs, our flat cut letters and logos provide a minimalist yet impactful visual presence, elevating your brand's identity on both interior and exterior spaces.
